Public invited to meeting about environmental restoration at Fort Wingate Depot Activity

The public is invited to attend the next Fort Wingate Depot Activity Restoration Advisory Board meeting, hosted by Tooele Army Depot, on Wednesday, Sept. 18, 2002. The meeting will begin at 5 p.m. and will be held in Room 162 of the Gallup Federal Building, 301 West Hill Street in Gallup, N.M.

The Restoration Advisory Board was established for Fort Wingate to act as a forum for the review of environmental restoration actions associated with Base Realignment and Closure activities. The intention of the board is to promote community awareness by inviting the public to comment throughout the restoration process.

The meeting will include a geographical information systems (GIS) presentation and information on the TNT beds well installation and the Building 537 PCB soil investigation/remediation.

For further information about the environmental restoration, please write or call Larry Fisher, Tooele Army Depot, Environmental Office, ATTN: SOSTE-CS-EO, Building T-8, Tooele, Utah 84074-5002, (435) 833-3257.
